

Appl. No. 10/716,855  
Amtd. dated June 22, 2005  
Reply to Office action of April 4, 2005

#### REMARKS/ARGUMENTS

Applicant has received the Office action dated April 4, 2005, in which the Examiner: (1) objected to the Information Disclosure Statement; (2) objected to claim 11 ; (3) rejected claim 21 under 35 U.S.C. § 102(b) as being anticipated by Golub (U.S. Pub. No. 2004/0009489); (4) objected to claims 22-25 as being dependent upon a rejected base claim, but otherwise allowable; and (5) allowed claims 1-20 and 26-30.

With this Response, Applicant submits a new Information Disclosure Statement, amends claim 21 and cancels claim 22. Applicant believes this case to be in condition for allowance.

The Examiner noted that Applicant's previously submitted Form PTO-1449 did not include a publication date for one of the cited references. With this Response, Applicant submits a supplemental Information Disclosure Statement that includes the date of the reference.

The Examiner objected to claim 11. Applicant amends claim 11 to address the objection.

The Examiner rejected claim 21 as anticipated by Golub, but indicated that claim 22 included allowable subject matter. Applicant cancels claim 22 and amends claim 21 to include the limitation from claim 22. The Examiner should now find claim 21 to be patentable.

Applicant respectfully requests reconsideration and that a timely Notice of Allowance be issued in this case. It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are

Appl. No. 10/716,855
